

You may not have heard of HCEN. We are HealthCare Employment Network and we provide healthcare traveler candidate sources. We are going on our 11th year. The reason you may not have heard of us is most likely attributed to the limited number of staffing agencies we send leads to.

HCEN understands your needs as a staffing agency. We have over 30 years of experience as Nurses, Travelers and past staffing agency owners. HCEN designed, developed, adjusted and made additions over the years to our proprietary software sourcing system. We source APN, RN, LPN, Therapist, Radiology, Respiratory, and Laboratory candidates.

HCEN does not charge or require a monthly subscription. You can cancel the service anytime. We have clients that have been with us for more than 10 years and we are proud of our ability to retain our clients. This is largely due to the fact that our leads are legitimate. If you use HCEN as your sourcing agent:

- Your agency will be one of a limited number of agencies to receive candidates requesting more information.
- Each lead is sent out only one time. We do not sell access to our database. These HCEN policies ensure the ongoing value of each candidate lead, giving your agency the potential for continued highest ROI value now and in the future.

Check out the links below showing you examples of the candidates we are sending out:

Available HealthCare Professional Disciplines

- Registered Nurses – HCEN has fine-tuned the specialty list to bring in those specialties that you are looking for.

More Information lead request

- Leads are delivered to subscribed staffing agencies between 11am – 5pm EST, Monday – Friday. This allows all agencies to have staff available when the leads come in, east coast to west coast.
- Leads that come in during normal sending times go out immediately.
- Leads that come in during non-sending times are sent out next business day.
- Leads are sent out every 5 to 10 minutes.
- Leads are sent to a single email address per agency, per discipline (ie: APN, RN, Therapist, Pharmacist & Allied Health can all have different email recipient addresses).
